The minutes of the March 19, 2024, Board of Directors Meeting were presented, and a motion was made, seconded, and unanimously approved to accept the minutes as written.

ELECTION OF DIRECTORS

The next item on the agenda was the election of three (3) directors. All positions were for three (3) year terms. There were four (4) candidates on the ballot, Dave Ellis, Ed Liles, John Martin, and Chris Schweigert. The floor was opened for additional nominations. Fred Krenek nominated himself. After the ballots were tallied, Dave Ellis, John Martin, and Chris Schweigert were elected to the Board of Directors and will serve until 2027.

FINANCIAL PRESENTATION

The next item on the agenda was the Association financial report, a copy of which was included in the members' packets. The report was presented by Dave Ellis, the Treasurer. He reminded those present that the Association budgets for both the annual operating expenses and to fund the periodic replacement of the Association's infrastructure as items reach the end of their operating lives and that the funds are maintained and managed in two separate accounts for this purpose. He presented the 2023 budget followed by the financial results for the year showing performance compared with that predicted and explained how a reserve study is updated annually to compute the required contribution to the capital reserve.

He concluded by stating that the Association's finances are in excellent health.

HOMEOWNER OPEN FORUM

At this time, there was a general question and answer period covering various topics including the license plate readers, perimeter fence maintenance, and the clubhouse rental fee increase. The Board stated that for privacy reasons homeowners do not have access to the LPR camera footage. This is available only to law enforcement personnel. If there is an incident in which a resident believes camera footage might help track down the responsible party, they should report it to the HC Sheriff's department so that a police report can be prepared, and the footage accessed. Regarding the perimeter fence, the Board stated that ongoing repairs are made as needed, and the funds for a total replacement at the end of its predicted life are identified in the reserve study and budgeted for in the capital reserve. Regarding the clubhouse big room fee increase, it was stated that the fees have remained constant for many years, and this increase was in response to increased operating costs and even with this adjustment the rental fee is very competitive with other venues.

The Annual Meeting was adjourned at 7:47 P.M. and those residents interested were invited to stay to attend a Board meeting to immediately follow at which Association officers would be elected and responsibilities assigned.

The meeting was opened at 7:51 P.M., and nominations for the various positions were made and voted on.
