

September 16, 2018 – Researched by Jim Calvert

#### CARPORT TYPE STRUCTURES – 4

1. 22219 BUCKTROUT – 2 homeowners since 1988 - current since 2012 – carport was present \*
2. 22422 BUCKTROUT - 3 homeowners since 1988 – current since 2006 – carport was present – unable to make contact w/current homeowner
3. 1702 CALVERYMAN – 2 homeowners since 1984 – current since 1989 – built carport 1989 \*
  - a. Mrs. Hagood stated that theirs was most likely the last carport built before the guidelines were changed.
4. 22211 PRINCE GEORGE – one homeowner since 1988 (Ed Shipley) – an add-on built in the late 1980's to early 1990's \*

All current carport type structures currently in existence were installed sometime between 1988 no later than 1999 - Guidelines were changed to current restrictions stating “NO CARPORTS ALLOWED” sometime in the 1990's. Original Architectural Guidelines date 1999

All information above indicates these structures were already in place even before 2012
