Annual operating cost per entrance	\$4,750.00	
First year cost per entrance	\$6,050.00	
First year cost for 5 entrances	\$30,250.00	
Second year cost for 5 entrances	\$23,750.00	
Number of homes	763	
Annual operating cost per home	\$31.13	
Monthly operating cost per home	\$2.59	
Data Security		
<p>"Flock Safety data and footage is encrypted throughout its entire lifecycle. All data is securely stored with AES256 encryption with our cloud provider, Amazon Web Services. On-device, data is only stored temporarily for a short time until it is uploaded to the cloud, at which point it is removed automatically from the local device. This means the data is secure from when it is on the Flock Safety device to when it is transferred to the cloud, using a secure connection to Flock Safety servers. While stored in the cloud, all data (both footage and metadata) is fully encrypted at rest. Flock Safety defaults to permanently deleting all data after 30 days on a rolling basis, setting a new standard in the industry."</p>		
Data is stored in the Cloud for 30 days, then permanently deleted
