before January 1. If payment of the total assessment and any other charges which may be due is not received by the Association on or before January 31, the account shall be delinquent, and interest shall be assessed as provided in the dedicatory instruments.

3. On February 1, the Association shall send an invoice (“First Notice of Delinquency”) to the owner by regular US mail advising the owner of the delinquency and giving 30 days to pay, and with a reminder of the option to enter into a Payment Agreement.

5. All costs incurred by the Association as a result of an owner’s failure to pay assessments and other charges when due (including any attorney’s fees and costs incurred) will be charged against the owner’s assessment account and shall be collectible in the same manner as a delinquent assessment.

Payment Plans

1. Owners are entitled to pay for delinquent amounts owed to the Association under a Payment Plan in compliance with this Policy.
2. Late fees, penalties and delinquent collection related fees will not be added to the owner's account while the Payment Plan is active. The Association may assess a fee for administering a Payment Plan. Such fee will be listed on the Payment Plan form and may be amended from time-to-time. Interest will continue to accrue during a Payment Plan pursuant to the Declaration. The Association may provide an estimate

of the amount of interest that will accrue under any proposed plan.

3. All Payment Plans must be in writing on the form provided by the Association and signed by the owner.
4. The Payment Plan becomes effective and is designated as "active" upon:
 - a. receipt of a fully completed and signed Payment Plan form;
 - b. receipt of the first payment under the plan; and
 - c. acceptance by the Association as compliant with this Policy.
5. A Payment Plan may be not less than two (2) months and not more than eighteen (18) months. However, the Association recommends that all balances due be paid no later than the end of each year. **There is no penalty for early payment in full.**
6. A Payment Plan must include sequential monthly payments. The total of all proposed payments must equal the current balance plus Payment Plan administrative fees, if any, and the estimated accrued interest.
7. If a Payment Plan is approved that will extend into the next assessment cycle, the owner will be required to pay future assessments by the due date in addition to the payments specified in the Payment Plan.
8. If an owner defaults on the terms of the Payment Plan, the Payment Plan will be revoked. The Association will provide written notice to the owner that the Payment Plan has been revoked and the charges for any such notices shall be assessed to the owner's account. It is considered a default of the Payment Plan, if the owner:
 - a. fails to return a signed Payment Plan form with the initial payment; or
 - b. fails to make a payment due in a calendar month; or
 - c. makes a payment for less than the agreed upon amount; or
 - d. fails to pay a future assessment that accrues during the term of a Payment Plan.

RP-2024-100173

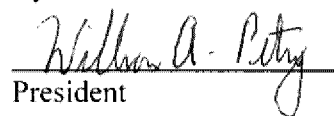

9. In the absolute discretion of the Association, the Association may waive default under items b, c or d above if the owner corrects the default within seven (7) days. The Association has no obligation to provide a courtesy notice to the owner of the missed or short payment.
10. If a Payment Plan is revoked, the full amount due by the owner shall immediately become due. The Association will resume the process for collecting amounts owed using all remedies available under the Declaration and the law.
11. The Association is not obligated to provide Payment Plans to any owner who has defaulted on the terms of a Payment Plan within the last two (2) years.
12. While a payment plan remains in effect the owner's right to use the common properties and services will be suspended. The owner has the right to appeal by submitting a request for a hearing before the Board.

The guidelines are effective upon recordation in the Public Records of Harris County and supersede any guidelines for payment plan policy which may have previously been in effect. Except as affected by Section 202.011 and/or by these guidelines, all other provisions contained in the Declaration or any other dedicatory instruments of the Association shall remain in full force and effect.
